2. Characteristic spirit and general objectives of the school

Holy Family Senior School is founded upon Gospel values and our Catholic tradition. The staff of Holy Family Senior School want to create a climate of physical, emotional, social, and intellectual safety for students, teachers and parents so that teaching and learning can occur within relationships of mutual valuing and respect.

With this in mind, the teachers of the school see education not just as providing students with knowledge and skills but also as providing for the emotional, social, sexual, physical and spiritual development of students.

In this school we want students to be self-motivated and to be at peace with themselves, others and the world. Achievement of these aspirations by the school requires the help and co-operation of students, teachers and parents.
