Holy Family School Parents' Association

September 2018

Dear Parents/ Guardians/Grandparents,

A warm welcome back to a new school year. Special warm welcome greetings are extended towards all new Parents/Guardians and Grandparents of all children of Holy Family Junior and Senior Schools. On behalf of Holy Family School Parents' Association, I wish you and every pupil of Holy Family Junior and Senior Schools every success in the school year ahead.

A sincere thankyou to all Parents/Guardians/Grandparents who devoted their time and talents in helping PA activities and initiatives at school throughout the past school year 2017/2018. An extra big **THANK YOU** to *Kate Maher, Phil Cheung, Barbara Roche, Louisa Casey, and Sharon Feehan* who generously supported PA for a number of years. We wish them and their children/grandchildren all the best in their journey ahead!

Be part of your HFS Parents' Association! PA members meet every month at school (morning and evening meeting). The dates for meetings are announced in school newsletters, txt messages, on the school Facebook page (*Holy Family School-HSCL Activities*), on PA board in Parents' Room (located in Senior School), ask a PA committee member or HSCL teacher (Barbara or Shane @086 6040686). Each Parent/Guardian is welcome to all meetings to hear and share ideas, suggestions, concerns and opinions with school representatives and committee members.

The current PA committee members are:

Look out for a date of **AGM Meeting in OCTOBER**.

Last year parents were actively involved with various initiatives, like: Cake Sales, Cash for Clobber clothing collection, Christmas crafts with children from Junior and Senior schools, First Holy Communion and Graduation receptions, Easter treats, Uniform Sale, Book Fair, Art and Craft Club and more. This year is going to be busy with parental activities at school, as well. Look out for dates!

Parental involvement is hugely appreciated at all times!

Come and meet other parents/guardians/grandparents and get involved in fun activities with and for your children.

Best regards,

Liliana Lacka on behalf of PA Committee 😊
