Dear Pupils and Parents,

Over the past year we have all experienced a most extraordinary time in our lives. As a school community, we have worked together to ensure that our pupils have had many opportunities to remain focused on their learning.

You as parents have also worked so well with us keeping your children connected to school and their education.

This time has been a difficult time for all of us but everyone has risen to the challenge and proved that we can move out of our comfort zones and learn new skills. I'm so proud of all that the staff, parents and pupils of HFSS have achieved this year.

I hope at this stage you all get to relax and enjoy some fine summer weather over the holidays. We have been informed by the Department of Education that school will reopen in September with the same restrictions in place. We will have class bubbles/Pods and the children will have the same entry and exit times. The School Covid Response plan is on our website for your information. The children and staff's safety as always will be our priority and we will be in touch with you in late August with any new preparations for our return.

In the past year the staff, parents and children have proved that we have strength and courage to keep our school vibrant and active and the children have made progress and are safe and happy as they finish up this school year.

Barbara Buckley has finished her 5 year period as HSCL and is returning to a class teaching position. I would like to thank Barbara most sincerely for all her amazing work in this role. Marina Mulqueen from Holy Family JNS will be our incoming fulltime HSCL teacher next year and Orla Gannon will be our part-time HSCL teacher.

I would like to thank most sincerely the committee of our Parents Association for all their work this year. A special thank you to all the member of HFSS Board Of Management for their continued support and guidance.

Have a wonderful summer everyone,

Mrs Barnes and Staff.

Your children have moved to their new classes today. This is where they can be found at 12 o'clock

Year Group	Teacher 21/22	Room	Previous Teacher (20/21)
2 nd	Ms Finn	Scoil na nOg 2	Ms Quinn
